

PEMBINA RIVER BASIN ADVISORY BOARD

The **Pembina River Basin Advisory Board (PRBAB)** is made up of local leaders from Manitoba and North Dakota who meet regularly to work together on land and water issues affecting the Pembina River Basin.

The PRBAB's purpose is to develop and cause to be implemented a comprehensive water management plan for the Pembina River Basin and to facilitate and pursue the resolution of inter-jurisdictional issues. The Board is currently in the process of reviewing and updating the Pembina River Basin Watershed Management Plan.
