

41st Annual Red River Basin Land & Water International Summit Conference

January 16-18, 2024
West Fargo Convention Center
Fargo, ND

Theme & Purpose

The conference will highlight the progress being made as we work together to achieve basin-wide commitment to comprehensive, integrated watershed stewardship and management.

Your Support

Generous support has led to the continued expansion of this conference while allowing us to maintain an affordable conference rate. RRBC is a 501(c)(3) organization in the U.S. and a registered charity in Canada. Sponsors may request a receipt for tax purposes for the total amount of their sponsorship contribution.

Benefits of Support

Over 400 delegates from across the Red River Basin attend our annual conferences, including government policymakers, elected officials, watershed managers, educators, agencies, producers, business and industry groups, and concerned basin residents. Conference sponsorship provides an excellent opportunity to showcase your services or programs, display new products and technology, and exchange information and ideas with targeted individuals and groups involved in land and water use.

We invite you to take advantage of this unique opportunity to support this event that fosters international cooperation and sheds light on land and water management issues important to Red River Basin citizens.
